Section I: Award Provisions

As a recipient of a Chevron International REACH Scholarship for the academic year of 2024-2025, the Institute of International Education (IIE) will administer the following provisions on behalf of Chevron:

1. A one-year financial award in the amount of USD 1000. This scholarship is intended to defray some of your academic expenses and may be used for tuition and mandatory fees required for your degree program during the 2024-2025 academic year.

Section II: Award Requirements

By accepting this award you agree to the following terms:

1. **Chevron Employment Status:** Your parent/legal guardian continues to be employed by Chevron or is an official retiree as defined using the Chevron policies in your local country, and that they are not employed at a competitor energy company.
2. **Other Chevron Awards:** You have not been awarded another Chevron scholarship. You are not eligible to accept the Chevron International REACH Scholarship if you are receiving or have accepted any other Chevron sponsored scholarship, such as the local Managing Director's Scholarship, local Nigerian or Indonesian awards, Geothermal, CPI, or Legacy Unocal awards.
3. **Enrollment Verification:** This award is contingent on your timely submission of official proof of full-time enrollment for the academic year of 2024-2025. This award is for undergraduate study only. You agree to submit to IIE proof of full-time enrollment at the university you attend. A **Verification of Enrollment**, also referred to as a **Certificate of Enrollment or Proof of School Enrollment**, is an official document provided by the appropriate university official that states the student is enrolled in that school. While the specifics may vary from school to school, the Verification of Enrollment form must contain the school's name, the student's full name, date of birth, grade level and the date the student was first enrolled.
4. **Use of the Scholarship funds:** The Scholarship funds must be used towards tuition and mandatory expenses required for your degree program during the academic school year. Explanation/proof of how these funds are spent and receipts of your Scholarship funds may be requested by IIE during your participation in the Program. **Use of the Scholarship funds for any other purpose may be cause for revocation of this Award and you will be required to repay all Scholarship funds received.** Please note that Scholarship funds are not intended to cover all your educational expenses. Recipients are responsible for the balance of their educational expenses, including, but not limited to, tuition and fees, books and supplies, living expenses, and transportation.
5. **Duration of Scholarships:** Scholarships can be renewed for up to four years or until completing your undergraduate degree, whichever comes first. Scholarship renewals are contingent on your grades, academic

progress toward graduation, continued enrollment in your college/university program and continuation of the program and funding availability by Chevron. You will also be asked to submit to IIE an Academic Progress Report and Renewal Application Form before the end of the academic year. These documents will be completed by you and by an appropriate representative from your college/university and include a copy of your current academic transcript. **It is expected that during your time as a Chevron scholar, you will be an active program participant and comply with program policies and requirements. Failure to do so could result in a revocation of the Award.** Additional instructions and requirements will be provided to the scholarship recipients during the 2024-2025 academic year.

6. **Payment of Award:** Your award will be paid to you in a single installment in U.S. dollars in October after receipt of the enrollment confirmation. Please verify that your bank account can accept U. S. dollars with a bank representative. As a REACH scholarship recipient, the payment must be sent directly to you to the bank account designated by you on the Bank Information Form. IIE will not arrange third party payments unless there are extenuating circumstances. The Bank Information Form and Bank letter/Void Check should be submitted via the IIE self-service portal at <http://portal.iie.org> to ensure that your personal information will be protected.
7. **Taxes:** You are responsible for any tax liability resulting from the receipt of this Award and for paying any taxes due to the appropriate tax authority.
8. **Compliance with Law:** You agree that Scholarship funds will not be used to engage in any action, including but not limited to the provision of goods, services or funds, that would result in a violation of any criminal or civil provision imposed by the laws of any applicable jurisdiction, including but not limited to the laws of, the United States, the European Union, the United Kingdom, or UN Security Council resolution, relating to any lists of designated, blocked or prohibited persons, groups or entities as may be included in the sanctions program. Moreover, you will comply with United States Executive Order No. 13224 and United States law that prohibits transaction with, and the provision or resources and support to, individuals and organizations associated with terrorism.
9. **Publicity Release:** You agree, as a condition of the Award, to allow Chevron and IIE to use, indefinitely and without restriction, your name, your likeness, pictures or photographs of you, comments you made, or information about you to promote the Award, and any other Chevron and IIE initiatives, in any manner or form throughout the world.
10. **Communication:** This scholarship program is funded by Chevron and administered by the Institute of International Education (IIE). Your main point of contact pertaining to all program related matters is IIE. You are required to notify IIE of any changes of address, including e-mail addresses, prior to receipt of your scholarship up to the time the scholarship is issued. You are also required to notify IIE well in advance of any changes in your academic program. You may contact IIE at: Chevron@iie.org
11. **Termination or Suspension of Scholarship:**

By IIE or Chevron: IIE and Chevron reserve the right in their sole discretion to terminate or suspend this scholarship, to withhold payments not made as of the date of termination, should noncompliance with the provisions of the scholarship or other circumstances warrant such action, regardless of your compliance with the Award provisions. Chevron, or IIE pursuant to instruction from Chevron, reserve the right to review the conditions and procedures of this scholarship program and to make changes at any time, including termination of the program.

By you (recipient): You are required to notify IIE of any changes in address, school enrollment, Chevron parent employment status, or other relevant information and to supply complete transcripts when requested. Due to the impact that scholarship deferment requests are having on the scholarship budget, requests for scholarship deferments will not be approved unless there are extenuating circumstances.

12. Postponement or Deferral of Award: In addition to IIE's ability to terminate or suspend your award for any circumstance, regardless of your compliance with the award provisions, IIE also reserves the right to discontinue, modify or withhold any payments to be made pursuant to the award or postpone or defer your award, for any reason as determined in IIE's sole discretion or pursuant to instruction from Chevron.

13. Assumption of Risk: In accepting this Scholarship, you accept for yourself and your heirs, dependents, agents, and representatives, any and all risks and hazards connected with this Scholarship, and you agree that neither IIE nor Chevron shall in any way be liable for injury to person or property that may result from any cause whatsoever.
